

**Faculty Name : AMRITA BOSE PAUL**

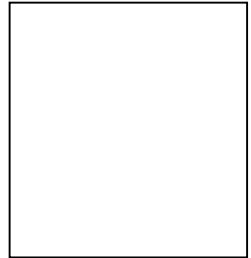

Designation : Associate Prof

Address: Dept. of Computer Applications

Phone: 0361-2672789(O), +919864040245(M)

Email: amritabosepaul@gmail.com

Website:

## Research Interest

Wireless Networks, Computer and Network Security

## Recent Publications

- Publication 1

Amrita Bose Paul and Sukumar Nandi, "Modified Optimized Link State Routing (M-OLSR) for Wireless Mesh Networks", in 11<sup>th</sup> International Conference on Information Technology, December 2008 (IEEE Press).

- Publication 2

Amrita Bose Paul and Sukumar Nandi, "Impacts of Refresh Interval Parameters on M-OLSR performance for Wireless Mesh Networks", in IEEE TENCON, November 2009 (IEEE Press).
